Safety Commitment

“Safety, the only way to work”
That is the motto by which we live.
We are committed to safety above all
else, and this commitment is central to
everything we do. Our proactive
approach creates value for our clients
and safeguards our most valuable
asset, our employees.

Our entire team is dedicated to
maintain a safety-focus and
environmentally sound business; our
safety culture is promoted by each
member of our team through
planning, implementing and
continuously evaluating safety
practices.

**MES Major Projects (PTY) Ltd is 100%
black owned and managed built
environment company delivering
consulting, construction, and asset
management services.**

MES Major Projects is determined to become one of the leading
built environment companies in Sub-Saharan Africa earning the trust
of our partners & clients, and the admiration of our competitors by
providing unparalleled innovation and expertise in the built
environment sector coupled with a firm commitment to
sustainability and good corporate governance within the industry.
